

Mrs George W. Wheeler

Dear Madam,

We; The Teachers of Union Sabbath School cannot allow you to leave us without expressing our high appreciation of your worth as a neighbor and a friend, acting as a ministering angel to the afflicted, but more especially as a highly efficient and faithful Sabbath School teacher.

While we write we cordially wish you all joy and happiness that your new relation in life can afford. we cannot but feel that we have sustained a great loss, but we bow to the dispensation of Divine Providence that has called you to another sphere of usefulness and new responsibilities. We pray that grace may be given you to fill your present position as well as you did the one you left.

You will, doubtless, look back with pleasure on the years spent by you in our Sabbath School and although you may never know of all the good that you have done here, yet you have the blessed promise "They that go forth weeping bearing precious seed shall doubtless return again with joy bringing their sheaves with them."

We again wish you joy, long life and much happiness. "and when your own star shall set at life's close may it set as the morning star that goes not down behind the darkness mist but melts away in the brightness of heaven."

In behalf of the School
J. L. Watson, Superintendent.
